

Introduce a friend

We are delighted that Richard Budworth BDS has just joined the team, enabling us to welcome new patients to the Practice once again. At The Borough Dental Practice, we believe that personal recommendations are our best way of growing as a practice. We are therefore delighted to offer this 'Introduce a Friend' scheme.

If your friend/family member presents this completed voucher at the desk, they will receive £15 off a future treatment with Richard Budworth. And you will also receive £15 credit on your account against a future treatment.
